

EAS Thesis Schedule for 2011-2012

This is a minimum schedule of thesis deadlines. Please take note of the following:

1. Only the form signed by your faculty advisor, the thesis proposal with bibliography and the finished version of the thesis are due to the tutorial office. Deadlines for these three items are **absolute**.
2. The bibliography, outline, and subsequent chapter drafts are due to your faculty advisor and your senior tutor.
3. Failure to turn in the first chapter draft by the end of the fall semester may result in an **unsatisfactory grade** for that term.
4. The final version of the thesis is due to the tutorial office by 3:00 PM on **Thursday, March 22, 2012. No extensions will be allowed.**

**If you are a secondary EAS concentrator, you are responsible for following the schedule and deadlines set by your primary concentration or the concentration listed first in your transcript. You should provide these schedule and deadlines to your EAS senior tutor as soon as possible, so that he or she can better help you.
